

How to use this printable: Print all pages on cardstock. Either glue pages 1 and 2 together or print them as 1 page, as "Our Heavenly Family" is the back of the puzzle. It is our goal.

Cut along the puzzle lines and cut out each rock stepping stone. Attach the puzzle pieces (with loose tape or removable poster putty) to the back of the rocks in this order:

1. Overcoming the Fall
2. Breaking the Bands of Death
3. Changing our Hearts
4. Applying our Repentance
5. Fulfilling the Demands of Justice
6. Validating the Law of Mercy
7. Offering His Help and Love

Lay the stepping stones across a blanket "river." lift the rock, remove the puzzle piece, and read the scripture and its corresponding statement. Discuss it with your family, and proceed to the next stone. Continue until your family can "cross the river." Then put the puzzle together to reach our final destination of returning to our Heavenly Father.

For older families, consider placing the puzzle pieces overtop of a picture of the Savior with loose tape or removable poster putty and tell your family that we will solve the puzzle as to how the Atonement was made possible.
